

BOX 13

Do you want to win up to £750 and also help buy additional items for the Club that are not budgeted for out of normal Club revenues.

Membership is a £2.50 a week which is collected over 4 weeks. You will be allocated a number and the Captain chooses someone in the clubhouse each week to draw the winning number and the instant winner of £50.

For the lucky winner there is the chance to open 'Box 13' and win the jackpot prize which increases incrementally from £50-£700. A key is picked from a bag of 13 keys to see if it fits the box. If the key does not fit, the key is removed and the jackpot increased by £50 each week until the right key is chosen. You do not have to be in the clubhouse to win.

If you would like to help the club and have a chance of winning some money then complete a standing order form (available from the Bar or Office).

Good Luck.
