

STOVER GOLF CLUB **DRESS CODE**

Members of Stover Golf Club have a Golf Course and Clubhouse, which provides facilities of which they are justifiably proud.

It naturally follows that good conduct by members and visitors and a good standard of dress should be maintained at all times, both on, and off the course.

For the avoidance of doubt, Members and Visitors are required to conform to the following Dress Code: -

On the Course

1. Golf Shoes must be worn.
2. No blue denim, combat type trousers or tracksuits are permitted
3. No round or v-neck, rugby, football or tee shirts are permitted.
4. Tailored shorts or golf skirts of a presentable length (not short but above the knee) may be worn with ankle to low cut predominately white sports socks. Knee length sock may also be worn.
5. Shirts must be kept tucked in within trousers or shorts.
(Ladies only - Shirts above hip length need not be tucked in).
6. Caps/Hats to be worn the right way round.

In the Lounge and Dining Room

1. A reasonable standard of dress and cleanliness is expected in the clubhouse at all times.
2. Blue denim, combat type trousers, tracksuits, rugby, football or tee shirts, sports hats, sports shoes, trainers or golf shoes are not permitted.
3. It is preferred that members and visitors change from clothes worn on the course before entering the Lounge and Dining room after finishing golf for the day, especially when play has taken place during inclement or oppressive weather conditions.
4. If you are unable to abide by this Dress Code please use the Patio Bar.

All members and visitors are asked to abide by these good Golf Club standards of dress. The enforcement of such a code is self-policing, however, the officers and staff of the club have been instructed to assist in its compliance by reminding members and visitors alike of these requirements.

MOBILE TELEPHONES

Mobile telephones are not to be used on the Course or in the Clubhouse Bar, Lounge or Dining Room.
